Darts BC Rankings

Darts BC ranking points are **tight**. With only one more BC Ranked Tournament registered, so far; (as we're waiting to hear if the Capital City Open wants ranking or not) leading up to the Provincials, the race is on for first place in the Men's Rankings and second place in the Ladies Rankings.

Reminder: Per last year's AGM. Darts BC will recognize the top two male and female ranked players prior to the Provincial Championships by waiving their Provincial Championships fee. Please note that if any of the top two male or female ranked players choose not to participate in the Provincial Championships, the recognition will not move down the ladder to the next ranking positions, only the remainder of the top two male and female ranked players will be recognized. Ties will split the fees.
